

## Chaparral Boats Announces 203 Vortex VR Giveaway

Jan.15, 2015

NASHVILLE, GEORGIA — In a blockbuster announcement as part of its ongoing 50th Anniversary celebration, Chaparral Boats is giving away a 203 VR Vortex jet boat and trailer with a retail value of \$34,456.

Designed to help commemorate five decades of boat building excellence, the "Vortex Giveaway" is part of a yearlong celebration.

"We thought giving away one of our newest and most exciting models would be a great way to celebrate Chaparral's Golden Anniversary," said President Jim Lane. "The Vortex line is enjoying runaway sales at early season boat shows. We wanted to go big and go exciting."

"Although the promotion is designed to promote interest in all of our models and throughout the entire Chaparral dealer network, we zeroed in on giving away a Vortex because it is a new product line, has massive appeal and is the perfect fit for people that want to get into boating," said Lane.

The bold new promotion is already attracting tremendous interest with an avalanche of participation at boat shows and via the company's website. The Vortex Giveaway is open to residents of the contiguous 48 states. Participants must be 21 years of age to enter. Limited to one entry per person.

Chaparral, along with jet drivetrain supplier BRP Rotax, is sponsoring the Giveaway. The promotion, which launched January 9, will finalize when the winner is selected by a random drawing at Chaparral's headquarters in Nashville, Georgia on or about August 5, 2015.

Anyone interested in registering can sign up at [Chaparralboats.com](http://Chaparralboats.com). Entrants can also see their local Chaparral dealer or file a mail-in an entry directly to the Chaparral factory. Limited to one entry per person.
